

HAPPY BIRTHDAY, LIKA!

lika

35 years ago Lika Electronic was founded on this very month of April by Mr Giampaolo Calabrese.

After so many innovative years we are proud to feel still young and enthusiastic about this exciting and successful journey.

A warm thank you to all our valued customers, business partners and employees for their everyday help, guidance and support. And a huge thank you to everyone who has accompanied us on our long way and has been a part of an amazing first 35 years of Lika Electronic.

Happy birthday, Lika!
